

Position Specific Program Training

Apex Soccer will enhance players skill and execution in our Position Specific Program through Spring break. We invite all positions from Goalkeepers, Defenders, Midfielders and Strikers to come and experience small player specific sessions relating to their position.

This spring break program was designed specifically for dedicated players to help improve and enhance their specific position skills, for ages 10-18 years old.

An educated mix balance between technical work, on field tactical sessions, and classroom work is crucial to a well designed position specific program.

Program details:

- Spring Break Week – April 13th – 16th.
- Monday – Thursday.
- 10am – Noon.
- Cost: \$225 per player.
